Firstly, I would like to thank the parents and students who came along on Sunday morning to help at the school working bee. We were able to get the tyre area constructed and concreted in, wash all the external windows and fix up some garden beds. I really appreciate these families giving up some of their weekend to come and help out. Thank-you!

At yesterday's assembly, we had 2 classes present some of their learning. Prep/1N retold how they believed the kangaroo got its tail and 3/4C presented their indigenous inspired art works as part of their learning about Australian Indigenous History. The students should be very proud of the work that was presented.

Tomorrow, we have 18 students representing the school at the District Cross Country at Lake Wendouree in Ballarat. Students qualified for this event at last weeks school event. We wish these 18 students all the best for their run tomorrow.

This Friday, we are celebrating the traditional Japanese celebration of Children's Day. Students are invited to dress up under the theme of Japan/Japanese tradition and take part in our morning parade. The parade will take place in the Secondary College Drama Centre, just after 9.00am. In the afternoon, students will take part in Japanese inspired activities in multi-age groups.

Starting next Tuesday, students in Grades 3 and 5 will be taking part in the Australian wide NAPLAN testing. These assessments evaluate students' learning and understanding in 5 key learning areas - Reading, Writing, Spelling, Grammar and Punctuation and Mathematics. Students are marked against curriculum outcomes and compared to all students across Australia. NAPLAN results will not be available until later in the year, when they are distributed by the Department of Education.

Parents with children commencing Prep in 2018 are welcome to pick up enrolment information from the Beaufort Early Learning Centre or the school office. Enrolments are now open and more information about transition will be available soon.

Families taking part in the BPS Footy Tipping Contest, entry fees are now due. $5 for individual tippers or $10 per family (2 or more tippers).

Best wishes to these students who will be competing tomorrow in the District Cross Country.
