

SMILES ON SITE

Yesterday we had a visit from Toothie, the mascot of Smiles on Site. All students had the opportunity to meet Toothie at a special assembly. Toothie and his other friends will be visiting a few times this term, in preparation for The Dental van visit in the first week of Term 4. Students were reminded to return their permission slips for their free dental check. If you are unsure whether you have returned this, new forms are available at the office.

This week, we welcome back our Grade 5 and 6 students, who last week attended the biannual camp at Sovereign Hill. Although the weather was a little wet and cold, from the stories I have heard, the students all had a wonderful time. Some students in 5/6FH have included their recounts on the back of this newsletter. Thankyou to the staff who also attended the camp. Without the willing staff, camps are not possible, so thankyou.

Well done to the Junior School Council for running a successful Jeans and Genes Day last Friday. Thankyou to all students who took part, dressing in denim. The school raised \$120 for the Children's Medical Research Institute. Well done everyone. The next Junior School Council event will be Daffodil Day on Friday 24th August.

Entries for the race track design are due this Thursday. We have only had a couple of entries, and it would be wonderful to have a few more. The 4 winning tracks will be installed in the junior playground. If you still need an entry template, please collect one from the office.

Mr Curnow will commence 2 weeks long service leave, starting this coming Monday. Mr Rowe will be replacing him and Claire Doolan (student teacher) will be teaching as well. Mr Curnow will return on August 27th.

Book Week, this year, runs from the 17th August till 24th August. We will be holding our parade on Monday 20th August in the Drama Centre. The theme of the 2018 Book Week is Find Your Treasure. We encourage students to think about their favourite books. What was the 'treasure' that drew them to this book? Why did they like it so much? And link their costume to this...or come as something they already have at home.

CBCA BOOK WEEK 2018

There is more treasure in a book than there is in a pirate's treasure chest.

5/6FH SOVEREIGN HILL CAMP

REVIEWS

Camp was awesome I had so much fun, we found gold. Wow, GOLD!! I slept in a room with 5/6F girls. In the Red Gold Mine Tour, there was a massive piece of gold. It was called the Welcome Nugget and it would have been worth millions and millions of dollars. I got raspberry drops, a horse head lollipop, rainbow shells and black liquorice from Craig Brothers. I had a really fun time I would have to say it was 5/5

-Taliah

Sovereign Hill camp was the best camp ever. First of all, when we got to our cabin we put down all of our stuff and went for our first activity. Then we went for some free time and our group panned for gold. Camp was so fun. I highly recommend going to Sovereign Hill. My favourite part was the old fashioned school. We got to use an old fashioned ink pen and write our name in ink. We also got to use dabbing paper. It was so much I give camp 5/5 lollipops

-Harmony

Sovereign Hill was the most fun thing in the world it was more fun than Canberra Camp! We found \$50 worth of gold at the Middle of the creek on the bridge.

On the first day I really enjoyed eating toffee apples and singing the old Irish songs, it was the best day ever.

Day 2, I really enjoyed the confectionary shop and I got some raspberry drops. I went to the Waterloo Store and got a miniature canon and shovel, which was joined to a pick axe. I give this camp a 5 toffee apple rating!

-Ryan

Sovereign Hill is a great place to go for families, school and much more. There are heaps of things to do. I personally think the theatre was the best. Sovereign Hill really takes you back in time. It's a great place just go and look around. I rate Sovereign Hill 5 out of 5. It is a great experience.

-Seth

Sovereign Hill is amazing! I had a fantastic time, I did all the activities. Next time I go, I'm definitely going on the carriage. My heart shattered at that very second when I dropped my little glass bottle of gold. But lucky for me, I had a second bottle of gold. Yay me! Nearly all the boys in 5/6F were in the same room as me. I highly recommend going there. I give it five boiled lollies, yum.

-Noah

You are going to love it like I did. There is a lolly shop, candle shop, bowling and much, much more. It is so fun to be there for 1 night. Oh, and talking about night time, there is a night show, it starts at 8:00pm, and goes till 10:00pm. It is so insanely cool. I give Sovereign Hill 5/5 golden bars!!!

LAST WEEK TO ENTER

Has your family started designing a race track yet?

Just a reminder that we are running a family design competition.

The winning tracks will be dug out and concreted into place, allowing for an interactive place for our students to play.

Designs need to fit into a 1.2m x 1.5m rectangle, must be able to be made out of concrete and safe for all students to use. Tunnels made from car tyres, pipes etc. can be included in the designs.

Entry templates can be collected from the office and must be returned for consideration by Friday 10th August.

Student judging will commence on Monday 13th August.

Design a RACE TRACK

Camp continues...

The Sovereign Hill camp was the best experience because the Blacksmiths were extremely amazing. The hard work and their explanations were phenomenal. The candy was really good, especially the toffee apples. The candle dipping place is worth going to. The soaps there have different scents, my favourite was the "MELON!" one. When I was dipping the candle in a different colour I felt like a magician using my magic powers to change the colour of the candle. The gold panning is amazing unfortunately I didn't find any, but my friends did. The pantomime was hilarious as well as Informational. I would definitely give this camp 5 out of 5 "SUPERB!" camp.

-Stellina

It was so good at the theatre because we were up until 10:05. It was so awesome I wanted to watch Little Red Robin Hood again. It was so funny that I

could watch it all night and day. I love Little Red Robin Hood because every time it said "It is I, Robin Hood" we had to go "Yay, Wow" and when we saw the Big Bad Wolf we had to say, "booooo". When the boy went down on one knee we had to go "oh oh oh". When we saw Little Red Riding Hood we had to go "oh oh oh".

-Abby

This year we went to Sovereign Hill for a night. I was in Ms. Hellett's group. First, we went gold panning. I was the first person to find gold, so I gave it to Ryan.

In my cabin I had Kayd, Leon, Rylan, Ryan, Kane, Seth and Noah. It was a good cabin, I got the top bunk next to Kayd and Leon. My favourite thing was free time. I was with Kane and Ryan. I got a hiking stick with patterns and a paper laser. After we went gold panning I got \$50 worth of gold. I give it 5 stars.

- Cruwen

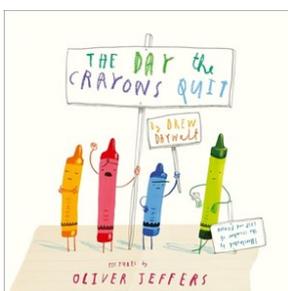

Thursday, in the morning at 9.45, I went to this pleasant place called Sovereign Hill. There was an olden day blacksmith and he could give you a horse shoe with your name smelted into the horse shoe. There was an olden day bowling alley which was a nice family moment. A night time, 8.30pm, I've just witnessed these amazing actors playing an old fashion show. Where one of the miners from the stockade was in court and he was found guilty as charged. After the 8.30 show, we watched the 9.00pm pantomime. The show was a very interesting and funny show. This is the best rating I've ever given in my whole career 100%

THE DAY THE CRAYONS QUIT

The students in 1/2 Bunworth are working hard on creating writing pieces inspired by the story *The Day The Crayons Quit*. This particular story has introduced the students to persuasive writing. They have enjoyed learning about all the coloured crayons and the reasons why they have stopped drawing, particularly the peach crayon. We discovered the peach crayon wouldn't come out of the box because Duncan peeled his wrapper off, so he had no clothes!
