

## Visit to the Timber Mill

Yesterday, four students from 5/6C went on a little excursion to Crick's Timber Mill. In reading, these students have been learning the stages of planting, maintaining, harvesting and making timber. To make solid connections between what they have read to real life, Cooper, Ellie, Olivia and Leon enjoyed a full tour of the mill and saw the full steps from the fallen tree to the finished timber panels.

Last Friday's Book Week Parade was a huge success. Thank you to all the families who took the time to put together the amazing costumes, and also attend the parade. The excitement throughout the day was wonderful. Thankyou to Tamara Smith, our photographer of the day.

This week, I have had several parents report that their child has had head lice. Could all parents please check their children's hair. If we all work together to get rid of these pesky little critters, it will be a huge help.

On Monday morning, bright and early, our Grade 5/6 students will be heading off to Canberra for their biannual Canberra Camp. A reminder to parents, students will need to be at school by 7.15am, thus, allowing the bus to depart, promptly, at 7.30am. It is a very long bus trip, so they want to get away on time. Whilst on camp, students will take in the many sights of Australia's capital city, including a trip to Parliament House, the War Memorial and the Australian Institute of Sports. Have a great time guys, and remember to let your teachers get a little sleep!

BBQ orders for the last day of term will be coming out soon. In conjunction to our BBQ lunch, the students will be encouraged to come to school in their Footy Colours. The Junior School Council have chosen to run a special event, in support of one of our families (and others in the community) that live with a family member who has MS. More information about this event will come home after Canberra Camp.

On Friday the 8th and 15th of September, we have a number of students representing the school at the District Athletics Sports Carnival and the Interschool Golf Competition. Parents with competing children have been contacted and notes will be coming home today.

- 30th August - Shannon (3/4C) turning 10
- 31st August - Emma (P1B) turning 7
- 2nd September - Taya (3/4M) turning 9
- 3rd September - Bryce (P1N) turning 6

**Student Absences - Please remember to call, email, fill out a pink slip or send a note to let us know if your child is or has been away. This will allow us to keep our attendance records up to date, but more importantly, support your child with their learning once they return.**

# Foundation Level Mathematics

The students at Foundation Level have been learning about coins and can recognise the animals and people on the Australian coins. They have been learning interesting facts about Australian animals and have drawn pictures of each one.

The Foundation Level students each have a Mathematical Work Portfolio, which is a collection of work completed during Mathematics. Parents are very welcome to visit the classroom after school and view their child's portfolio.

## FROM 3/4C

Students in 3/4C looked fantastic in their Book Week Costumes on Friday! To celebrate Book Week, we decided to practise and perform short play scripts whilst still in our costumes. Students were assigned groups and only had an hour to choose their characters, practise their scripts and decide on appropriate actions and props. It was a mighty task for even an experienced actor! However, the results were outstanding. Students performed a range of modern and traditional scripts, such as *Beauty and The Beast*. Well done to all 3/4C students for having the confidence to perform in front of your classmates.
