2020 Swimming Carnival

Perhaps it was because the weather order I placed finally arrived, maybe it was because we were able to have a carnival at all for 2020, it definitely had something to do with our amazing band of parent helpers who I was so grateful to be allowed to invite at the last minute... whatever the reason, I can honestly say 2020 was one of the most enjoyable and relaxing carnivals that I have run.

To all of our parent helpers who jumped in and helped wherever needed, each year we become an even better-oiled machine and I can't thank you enough. We are so lucky to be able to secure the expertise of our Mark Stahl instructors each year, having them in the pool running with our Level 1 & 2 swimmers is the icing on the cake and makes the experience so rewarding for our students.

To our superstar students, especially our house captains, who do amazing things both in and out of the water. From the synchronised dancing on the pool deck in the morning, to the house cheering, to the support and encouragement given to those in need, to always being available when I needed an extra hand, to the amazing performances in the pool. I'm so proud of our students and to the ones who went above and beyond, you know who you are!

With only a few points separating 3 houses all day, a huge congratulations goes to every person in Red House who participated in their races and helped them win the day by 2 points!

The strength of swimmers in our 50m races was outstanding this year. Congratulations go to Ben Grant for winning the Grade 6 boy 50m freestyle and Fastest Boy 50m Freestyle, Ella Kerr for winning the Grade 6 girl 50m freestyle and Evalyn Hayward who continued her dominance in the fastest girl event for the third year in a row!
